Remember Whidbey Island !

A Third Way Beyond Capitalism and Communism

Hail, Robert J. Mathews!

Aryan Martyrs Night

The very first memorial event for Aryan Martyrs was a huge success across the country from Whidbey Island, Washington to Virginia.

Although many Martyrs were on the list, each area spotlighted one that more exemplified the area.

Robert Mathews, ZOC assassinated leader of the Silent Brotherhood/Order, in the Northwest. Gordon Kahl, ZOC assassinated tax rebel and White separatist in Oklahoma, George Lincoln Rockwell, assassinated leader of the American National Socialist Party in Virginia. Places like Wyoming and Florida also held vigils for Aryan martyrs. All these vigils

were held under adverse weather conditions, somewhat testing the dedication of White Aryans. Next year we expect to see dozens of vigils across America, including Kathy Ainsworth, martyred White pregnant school teacher from Mississippi and many others. It's time to pick up your wounded, White man,

and revere your fallen comrades. Make your plans now for Saturday, December 9th, 1989. Let's get behind Martyrs Day!

'Wedding Vows alongside the blazing fire, under a walkway of Aryan Salutes! As chief witness to the

ARYAN MARTYRS DAY

On Dec. 10, 1988, White Aryan Resistance units hosted firelight vigils on Whidbey Island, Washington and other locations throughout the nation. For security reasons, the Heartland vigil was not held at Imboden, Arkansas (the site of Gordon Kahl's murder) but was relocated to an alternate site in Northeast Oklahoma. This vigil marked the first time that Martyr's Day was formally observed in the movement but from this date henceforth, the Saturday night closest to the anniversary of Bob Mathews' death (Dec. 8) will be observed and honored by firelight, forever.

A huge wood pile was accumulated at the secluded vigil site and at dusk, the fire was lit. With the setting sun, temperatures dipped to below freezing and the night breezes sharply reminded all that snow was in the forecast. The evening's gathering would be chilly, indeed!

A table was erected to serve as a podium, catalytic lanterns were struck and arranged to illuminate the area, hot chocolate was brewing and the flames leaped high in the night. One by one and two by two, hardy and principled Aryan Warriors began to assemble, rolling in from far and wide! By the start of the ceremony, an impressive crowd had gathered around the crackling bonfire!

New Breed fighters from Texas to Wisconsin arrived in Northeast Oklahoma to pay tribute to the great contemporary Aryan Heroes: BOB MATHEWS,

GORDON KAHL KATHY AINSWORTH, JOHN SINGER, ARTHUR KIRK, and GEORGE LINCOLN ROCKWELL.

It became very clear that these Separatists would let nothing keep them away. We were very proud to stand with (and for) the

Death.

Never leave our sides; always be close to us, True as the German Oaks, as the moon and the sunshine.

One day our brothers will see clearly again, And they will return to the

best our race has to offer!

After an hour and a half, hovering near the fire and informal conversation, Joe Grego opened the ceremony with a fiery speech about the impact of our Martyrs' deeds on today's movement and the necessity of carrying on the struggle for which they died. No loudspeaker was necessary that night! Grego then read the Order's Declaration of War/Open letter to Congress then the following poem, one memorized by every man in the Waffen SS:

When everyone is disloyal, we will stay true, So that there is always a standard bearer for you on earth.

You comrades of our youth, reflections of a better age, Who ordained us to manly virtuousness and a Patriot's

fold in Loyalty and Love.

You stars, with your peaceful downward gaze, are our witnesses

When all our brothers are silent and trust in false idols.

We do not wish to break our word or turn into rogues,

We want to preach about and speak of the ARYAN Empire.

At this point Mari Cunningham gave a speech on our personal relationships, persistence in the movement, perseverance in the face of great danger, and praised friends. In fact, Mari's speech was so well delivered that the lady stirring the hot chocolate paused to listen and scorched a couple of

gallons of refreshments!

After a brief interlude, John Clary, Heartland WAR Director spoke about the tragic fate of each Martyr, the plight of the still-living Order members and all P.O.W.'s. John explained that though he did not personally know the Martyrs, the cause they died for was very clear to him. He spoke of our beloved Heartland kinsmen Sean Tarrent, Hollin Lange, and Billy Worl who are Prisoners of War, and sorely missed by all of us who do know them! John continued and as he spoke, he invoked hellfire and brimstone on those who oppose and betray us. John's personal observations gave everybody something to contemplate. W.A.R.'s position concerning the state-of-the-movement was expounded in depth, then John concluded the ceremony.

At midnight a young couple announced their

ceremony, we observed their life-giving commitment upon the authority of the fallen men

of our struggle. Even then, as we were gathered in memory of the slain, the living continued our circle-unbroken! As one lies down, so shall others step up to take his place.

A very special salute is in order to the two mothers who attended with babies (don't worry, they kept them warm!), all the pregnant girls who were there (and freezing for two), the large contingent of Confederate Hammer Skins, Northern Hammer Skins (from Wisconsin!) Tulsa Skins, Midtown Boot Boys, O.W.M.A., Klansmen, Aryan Nations Warriors and White Aryan Resistance Heartland Separatists! These dedicated Warriors have not only remembered our fallen, but are waging war with the murderers of our folk

ARYAN YOUTH CELEBRATE UNCLE BOB'S BIRTHDAY

DATELINE: PHOENIX,
AZ. MONDAY, 21ST
OF JANUARY 1989

"ARIZONA WELCOMES WAR YOUTH SKINS"

Monday the 21st of January, 1989, was a "Red Letter Day" in Phoenix, Arizona. Nearly fifty of our brave young White Aryan warriors, male and female, took the front battle lines through the main streets of downtown Phoenix.

Commemorating the birthday of Robert Jay Mathews, one of our founding fathers who was assassinated in 1984 by tyrannical agents of ZOG, the ARIZONA WHITE BATTALION was joined by loyalist soldiers from Nevada and New Mexico.

If you had been present at this commemoration as I was, talking with Jason Neller, the very competent young organizer and leader, who is very mature for his young age, talking to the beautiful White Aryan Youth Skins, male and female, you would have been very inspired! Our young soldiers, proudly dressed in their neat skinhead garb, high topped

boots, jackets, shirts and pants adorned with various movement patches and insignias, filled my heart with burning pride.

Even some of the White cops assigned to our rally were visibly moved. Some had tears of pride that, for obvious reasons, they tried unsuccessfully to conceal. Others were heard to remark to other White cops that "it's about time that our kids are standing up for themselves". One White cop, who I will not identify for fear of

retaliation from ZOG, commented very positively about our stand on Affirmative Action. What's going on here?

Tom Metzger, our national WAR leader and John Metzger, Tom's son and our national WAR Youth leader, are setting a White Pride mind-set that we can accept, and a steady stride towards rejecting the false guilt Blacks and Jews are trying to lay on us.

Tom Metzger has started to bring White Pride out of the closet, where ZOG has

tried to isolate and extinguish our sacred identity.

We must all, White Aryan brothers and sisters, get our White Pride out of the closet and into the sun, and follow the examples of Tom and John Metzger, and become "Bigmouths" for "White Pride". Don't let ZOG confuse you with illogical shit about being on the Left or Right. Either one of those labels are strictly designed for the express purpose of maintaining de-unification of the White Nation.

We must read and learn to understand that the "Third Position" as explained by Tom Metzger is a plan to bypass the divisive psychological warfare of ZOG and fight back with constant and emphatic rejection of any and all attempts to subjugate our White Nation!

No better example can be visible than the rising to power on street corners, high schools and college campuses of our youthful warriors: young soldiers, such as Amy Mecum, a member of the White Arizona Battalion, a former Dallas Confederate Hammer, who was shot and critically injured, yet recovered to return to the front lines.

In a ceremony at a future

date Amy will be decorated with a special award, personally presented by Tom and John Metzger, for Bravery and Courage in the face of the enemy ZOG.

The only means we have to fight our enemy and win the battle is to put aside our petty differences, shun psychologically debilitating chemicals and drugs, refuse to indulge in personal gossip and behavior

unbecoming of a White Aryan soldier, support each other, back-to-back, face-to-face, follow the teachings of our leader, Tom Metzger, support our Aryan Youth and John Metzger, and provide funding to our movement to keep White Aryan Resistance alive!!

On to "California Woodstock" on March 4th, 1989!

THE FALL OF THE ALAMO

The Alamo was overwhelmed on March 6, 1836, and every fighting man killed. Of the 179 men who died (8 were out on courier duty) over two-thirds were non-Texan volunteers. They included Colonel Davy Crockett (former U.S. Congressman) and his contingent from Tennessee; some survivors of the "New Orleans

Greys", and 36 men from the British Isles (14 Irish), 2 Germans, and one Dane. The male child of an officer was also killed. The only survivors were the officer's wife and her infant daughter, as well as a male adult Negro slave found cowering in a store room. Seven Mexican

Texans died for the Alamo (three others, including their commander, were out on courier duty). These ten were the only "Mex-Tex" who continued the fight in Texas after the invasion by Dictator Santa Ana.

Only one man deserted the 180 men at the Alamo: Louis Moses Rose, a Jew from France.

HERE'S WHAT OTHER PUBLICATIONS ARE SAYING ABOUT THIRD POSITION

Dear Marxist Rock N Roll,

I've been reading MARX for many years now. Aside from its obvious left-wing bias and hostility towards Nationalism and racism, I've found MARX to be very entertaining and even informative at times.

I feel that there has been a great misconception of what white Nationalism is all about. In this letter, I wish to clarify what true revolutionary Nationalism is and is not.

Revolutionary Nationalism is the third way - the third position and it is the only viable alternative to Communist and Capitalist materialism and slavery. We believe that Communism and Capitalism are really very similar ideologies and are really two pulp of the same coin. Both Communism and Capitalism are materialist creeds motivated by the bankrupt philosophy of economic determinism as - in Marxist jargon - dialectical materialism. Both philosophies seek economic power in the hands of a few individuals. In the case of the capitalists - a few big multinational corporations. In the case of the Marxist communists - a few privileged state bureaucrats. Both philosophies are bankrupt - they have failed. If an alternative is not found soon then the world faces a very bleak future. The alternative is a form of synthesis of the better elements of Capitalism and Socialism called distributism or thirdism. Under distributism all businesses with over 100 employees would be turned into workers cooperatives. This way the workers would have a stake in running their own affairs and the corporate power structure would be destroyed. Under distributism all sectors of the economy affecting national and military security would be nationalized. Banks, energy companies, public utilities, and defense contractors. These sectors of the economy must be under the control of the people and not of a few big capitalist corporations. Progressivism would also be destroyed to

create more family farms and small businesses. Under distributism a real free enterprise system would come into being. Free enterprise must be distinguished from the monopoly capitalist system we live under today.

We are also Nationalists in that we love our people - our race. This does not mean that we harbor hatred of other groups of people. It does mean however, that we put the interests of our people first. For those who wish to live Nationalism with dignity or xenophobia I say that Nationalism has any other philosophy can be abused and misused.

We are also Realists in the positive sense - we recognize the natural racial differences and inequality of mankind. We do not believe in the lie that "All men are created equal" as this violates every facet of nature and common sense. Take a look around and all men really created equal? Racial differences also go much further than skin color as any honest person who has studied Biology and Anthropology knows. We are motivated by love for our own people and wish to preserve our own unique culture, language, racial identity and way of life and we recognize the rights of other people to do the same. We seek freedom and self-determination for our people. These two principles are the basis of our philosophy. These two principles are the basis of our philosophy. These two principles are the basis of our philosophy.

We reject such socialism for many of the above reasons and also because it is unnatural and unhealthy. Ayn Rand's novels are really, objectively, rationally, and psychologically homogeneous and share the same culture, world view, and outlook on life. Multiculturalism should seriously take a look at

Lebanon, Sri Lanka, India, the Soviet Union and many other countries. A people can preserve its culture, identity, and way of life only in a racially homogeneous society.

We believe in cooperating and working with Nationalists of all races. Black Nationalists, Mexican, Oriental, Indian nationalists etc. Toward our common goals of freedom, racial separation, and self-determination.

Revolutionary Nationalism is neither "Right-wing" or "Left-wing". We see both Reagan conservatives and Left-wing Liberals and Marxists as being two factions of the same old order. We have absolutely nothing in common with political conservatism as we feel no desire to conserve or preserve anything in America other than the white race. We can thank the conservatives in particular for the third-world immigrant invasion of the western world. After all, what would these conservatives do without a constant cheap labor supply for their factories and gardens and needs for their personal use. We believe in assuming power through legal, peaceful means and racial violence of any kind. We do believe however in self-defense from all enemies - whether they be Red Front Marxists or reactionary conservatives.

Well, I hope this prompts debate and response from your readers and I welcome all correspondence. Sincerely, Louis Moses

INSHORT

AN AMERICAN NERO
IN NEW ROMAN

Here is yet another example of how Vietnam was a rich man's war, but a poor man's fight.

It appears that our new right wing Vice President, Dan Chicken, who got his rich daddy to help him dodge the draft, was involved in yet another bourgeois scandal.

Not only is this yellow bastard only a hawkish war pig when it's just working kids who have to die but, according to Doug Hissom, a former Delta Kappa Epsilon (DKE) frat brother of Mr. Chicken at the spoiled brat University of De Puke, our right wing V.P. was one of the participants in a 1968 frat house party named "The Trip". The school's yearbook, the "Mirage", describes this hedonistic frat orgy as a "colorful psychedelic journey into the wild sights and sounds of LSD". Oh, how bitchent!

Doug Hissom claims that Mr. Chicken and his rich White and Jewish friends spiked the party punch with LSD-25 and all these hip, draft-proof rich bags of vomit were getting loaded, while White working kids were dying in Vietnam.

It is unknown whether Mr. Chicken and his acidhead friends danced and played the fiddle during this exclusive party.

JEWESS GETS BUSTED!

Laurie Recht, the Jewess which I wrote about in the last issue who is the self-appointed voice of Yonkers, faces a \$250,000 fine and two years in jail for making false statements to the FBI.

It turns out that this kike had made dozens of false reports of Neo-Nazi death threats and vandalism on her home.

Miss Recht told the Feds that the hateful people of Yonkers were calling her up and threatening to smear her Jewish blood all over the streets of Yonkers if she didn't give up her "heroic fight" to integrate the White working areas of the city.

Someone even went so far as spray painting an anti-Jew poem on Miss Recht's home.

The sheep of Yonkers were shocked and outraged at these "hate crimes" and demanded that justice be done.

Community and Christian leaders publicly demanded an end to these "hate crimes" and demanded that justice be done.

Feds were brought in and, unknown to this Jewess, the FBI put a 24 hour trace on Miss Recht's phone and had around the clock agents video taping Miss Recht's home.

The FBI tape recorded the person who was spray painting Nazi slogans on Miss Recht's home. Guess what? It was the Jewess Miss Recht...

So, remember, if anyone in the movement wants you to go with them to vandalize some kike's property, this doesn't hurt the Jews. It only gives them sympathy from stupid Whites.

WOULD JESUS
CHECK GREEN CARDS?

Read Jack London's "The Iron Heel" for a biting description of how the Christian Establishment is the cat's paw of the ruling elite.

A great example of this is how the Christians serve the Capitalist state through their so-called "sanctuary movement" to smuggle third world scabs into North America in order to flood the labor market and destroy White wages.

Three Catholic priests from L.A. are emerging as the leaders of the pre-dominantly Christian underground railroad.

Naturally, the business community has nothing, but high praise for these Christians.

Christianity is a Third World religion, so it isn't surprising that the churches are helping the mud races overwhelm the Western world.

The Christians claim they are helping the non-Whites invade the White race's homeland because the Holy Bible told them to. Super wimp, Howard Ezell, Western INS director, reacted like a typical right winger to these Christians.

The sheep Ezell claimed he was morally outraged at the system's "racist" effort to put up a cardboard wall to stop the tidal wave of unwanted immigration into America. (It seems that Mr. Ezell is also a Christian).

However, even though Mr. Ezell was morally outraged at the "racist" green card laws, he begged all good Christians not to break the laws and to work within the system and change these unjust laws non-violently.

Mr. Ezell claimed this is the Christian thing to do. It is what Jesus, Gandhi, and Dr. King would want us all to do.

Go. It's enough to make you want to go and sack a monastery!

WAR

"THE LAST FULL MEASURE"

EDITORIAL

We White, non-semitic peoples of America do not have to look far for Great Historical leaders. Long before Europe began to develop eugenics programs, far seeing White medical thinkers of America had designed programs for the improvement of our race.

Men like Jack London, Francis Townsend, Father Coughlin, Huey Long, Tom Watson, Charles Lindbergh Sr. and Junior, Dennis Kearney and a host of others struggled against the plutocrats of Capitalism and the big trusts. White industrial workers and farmers struggled against an oligarchy that continues to this very day. With each war these White renegades and their Jew (Khazar) friends create, the White man loses, both physically and economically.

Remember, war is a racket and the armaments business is just that: Big Business. Soviet Communism is in reality State Capitalism, since Communism is an unworkable myth.

So the world is controlled by a struggle between State Capitalism and Monopoly Capitalism, whose main weapon is the legalized crime of banking and usury.

All the White Americans that we have previously mentioned fought their entire lives against this plutocracy and for Third Position. Marxism of course was always a clever shell game controlled by the same boardrooms in New York, London, Paris, etc.

I have been attacked for rebuking the White rich and I will continue to point to the degeneracy of the White rich and at the same time balance up the act by challenging the

social and racial mixing of the White poor.

Make note that we are concerned with the survival and expansion of the White race both in North America and all other areas of the world where White people live. For we are Pan-Aryanists and deadly enemies of the ruling plutocracy that now is hell bent to destroy our race in the search for profits and materialism.

This vertical struggle of our race has finally come to the last battle and it will be fought now and into the 21st century. Right and Left have lost all meaning to the true racial warrior. We reach out with open arms to our comrades of the White left and White right. Beware of phony nationalism and wars to fight for AMERICANS INCORPORATED.

Study the White American struggle and know of the great men of our race. Even though we respect all men and women worldwide who have fought the racial fight, it's time to rediscover American White racial leaders of the past and present. It's time for the homecoming.

White man, don't be a victim of Hollywood Jew movies simply aping an incorrect view of what has come before. Forget the Jew encouraged Hollywood Nazis and uniform freaks or tiny groups of well meaning people being led into the streets by mental cases to be protected by a salt and pepper system police.

You make the rules. Don't play by your enemy's rules. Run silent and run deep - it's time for the wolfpack.

LETTERS

Dear Mr. Metzger,

I would like a 6 issue subscription to WAR. I have enclosed \$10.00. I don't know how often issues come out, but I already have #5.

I hope you don't mind if I take up a few more minutes of your time, but I would like to say how impressed I was with the paper. Many of the articles were informative, as well as enjoyable. And the comics were great, too. You've got a good staff, and I think they deserve praise.

One thing I would like to comment on specifically is your editorial on the

Southern Poverty Law Center. Most of my family live in the South, and from them I've heard some interesting things about the SPLC. I had wondered why this person Dees was so set on destroying the Klan until reading the article. I knew nothing of Dees' past, which I thought was a nice bit of irony. But then, of course, it didn't surprise me.

Of course, the article couldn't have come at a better time. Yet again the Klan has been sued by the SPLC, this time for depriving that uppity bunch of marchers of their civil rights. I'm sure you already know that the people who were sued don't

VIEWPOINT

have that kind of money and won't be able to pay it. Dees must know that it's only going to make things worse, as the marchers must know, for blacks already living in the area. That, naturally, makes me even more

suspicious of their motives. Before I go, I'd like to say what a great job I thought you did on the "Morton Downey Jr. Show" in Harlem. After seeing that I decided to send away for an issue. You and Carl Straight really stood up for

what you believe in, and there's not a whole lot of people in this world who would have, especially under those circumstances. I know if it had been me, I probably wouldn't have been so brave. C.M.

It is simple reality that...

THE IMMORAL WORDS OF ALEXANDER "LEVINE" HAMILTON

by: John Jewell

The national debt is a "great blessing". Capitalist factories require women and children "of a tender age more earlier useful". Good government requires a "monarch" (king). "Democracy is tyranny". "Liberty of the press" cannot be included in the Constitution. Governments are formed to control men's "passions". Mankind is "vicious" and must be "operated" on. The people are a "great beast" and "seldom do right".

Only the "few", the "rich and well-born", must rule. The State interest lies with the "rich individuals belonging to it". The banker and speculator "ought to reap the benefit". Negroes are "probably as good as dead". I "squint at South America" - grasp "where we can". He voted citizenship for Jews; his natural father was a Jew merchant, one "Levine", from Danish-held Virgin Islands of the West Indies (now the Black Virgins, and citizens of the USA).

(everything must be nice and legal, of course), these anti-Whites, who have made a good living over the years peddling the White Guilt Racket, are going to pay dearly for what they have done to the minds and souls of their own people even of their own children!

What kind of punishment? Well, lots of useful ideas come to mind. There's this huge national debt that must be retired. Many toxic and nuclear waste dumps must be cleaned up and dangerous mines reopened. Lots of experimental drugs need to be tested. (Although the worst of the vermin may simply go to the wall). But such things will be decided by the members of the Aryan Peoples' Court in each locality (yes, we believe in local government too).

If you know a White traitor you could testify against when the time comes, turn that Betrayer-of-his-own-Race to us. We have a computer with a

huge memory that just can't be filled up (although lots of our members in all parts of the country sure are trying).

Are you a member of the Aryan Peoples' Court yet? After all, \$10,000 ain't bad.

ALBICIDAL CRIMINAL \$10,000 REWARD!

(CAUTION: The only persons who can be accused of having committed a crime for having been anti-white are Whites who hate their own race. We do not hate or even dislike any other races. We recognize that persons of other races who hate Whites are obviously busy working in the interest of their own race, against ours. We can respect that, even if we usually disagree with their positions. When the day to settle accounts will come, even the most militant of the non-Whites won't have anything to fear from us.)

The Whites who are anti-White however, won't be so lucky. When Pay Day arrives, all the Whites convicted by the Aryan Peoples' Courts of having betrayed their own people, during the dark days of the "Whitey-is-always-wrong" madness, will be punished. These vilest of all criminals, traitors to their own people, include:

- * The journalist who uses smear terms like "bigot, White supremacist, racist", etc., to describe those who are merely worried about the sheer biological

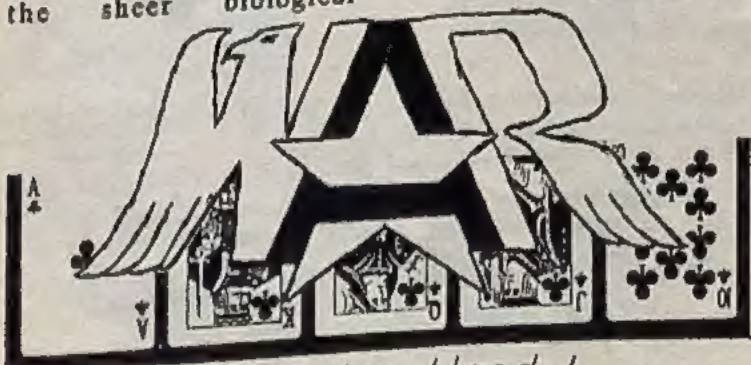

survival of our people.

- * The entertainer who assists in the production of any of those revolting "Whitey is always wrong" movies and TV shows.

- * The minister or priest who hangs guilt trips on his sheep by haranguing them about the evils of White "racism".
- * The Double Standard Specialists at school who make our kids feel ashamed to be White by reminding them of all the alleged crimes committed by Whites against others, but who look the other way when a White kid gets mugged or raped.

- * The politicians and judges who jam Affirmative Action, busing and integrated housing down your throat, but can't do anything about the highest crime rate on earth, (directed largely against Whites) and won't do anything about the leakiest border of the world: our own border.

THE CHURCHES PUSH RACE-MIXING

The Vatican condemned all forms of racism Friday in a major document touching on apartheid, anti-Semitism, tribal conflicts, the rights of aboriginal peoples and the discrimination encountered by migrants.

The 8,000-word document, drawn up at the request of Pope John Paul II by the Pontifical Commission for Peace and Justice, declared, "Harboring racist thoughts and entertaining racist attitudes is a sin."

Singling out apartheid in South Africa as "an extreme case of a vision of racial inequality," it said, "Change is absolutely necessary and urgent here."

But the Vatican document also said, "It would be hypocritical to point a

finger at only one country: Rejection based on race exists on every continent. Many practice a discrimination in fact which they abhor in law."

Entitled "The Church and Racism" and termed official, the document called anti-Semitism "the most tragic form that racist ideology has assumed in our century."

After distinguishing anti-Zionism, which "questions the state of Israel and its policies," from anti-Semitism, the document warned that anti-Zionism "serves at times as a screen for anti-Semitism."

In a passage that appeared to have special pertinence to Western European nations where the presence of immigrants and foreign workers has stirred nationalistic reactions, the document described how prejudices

against foreigners produced "exaggerated nationalism" that degenerated into "xenophobia or even racial hatred."

Other passages dealing with aboriginal groups seem aimed at North and South America and Australia. Such peoples have a right to land and the means to preserve their cultural identity, the document said.

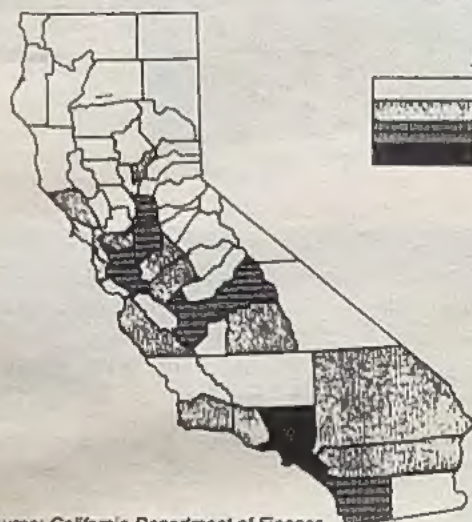

The statement was hailed by U.S. Roman Catholic officials as the church's most comprehensive repudiation yet of prejudice.

Auxiliary Bishop John Ricard of Baltimore, chairman of the bishops' committee for black Roman Catholics, called the document a milestone.

Jewish leaders also praised the document for its extensive condemnation of anti-Semitism.

RACIAL SUICIDE IN ORANGE COUNTY, CA.

by: Brad Robarge

A local fishwrap here in Orange County recently reported some alarming statistics on what White students in Orange County thought about inter-racial dating, as well as participation in racial treason. Out of the 3,247 students polled, a majority of them were stripped of their racial instincts. The teachers at these schools proved to be successful in De-Programming as well as Psychological brainwashing on a mass scale. Many were brainwashed under the guise of a White-Guilt inferiority complex, instilled upon their vulnerable minds. They have their students totally fooled into believing that Race-Mixing is okay, and is good and healthy for both races, when in fact it degenerates both races. Perhaps the hook, line and sinker comes when they explain that this type of sickness will rid our society of racism totally. And the children of this type of confused relationship will never experience racial prejudice, since they will have no race. By taking a partner of another race is the ONLY way to prove that you are not a "RACIST".

This is the suicide that your teachers in these schools have indoctrinated our young sons and daughters into taking part in. Race-Mixing has its more subtle forms that our society seems to take less offense to such as, White intermingling with Asians or with Mexicans. This is

because of the lighter skin factor, that these other races have, while some traitors have to prove that they're the better Race-Mixer, and take up with the likes of a Negro. Whatever Hari-Kari knife these people choose to use: it's RACIAL TREASON. The reality and true facts of this abomination is the children. The mongrelized offspring of these relationships have a 89% chance of experiencing rejection and alienation from both of the parent races, as stated in a recent survey taken on the subject. If the White Aryan race continues to be manipulated by this type of psychological programming that comes in many destructive forms, then our numbers will soon dwindle, and the White race will no longer exist. Our people need to make a total commitment to 100% White birthrate, and destroy these alien influences that seek to defile our race for eternity.

Carl Straight, "reporter" for "Race and Reason."

Tom Metzger hosts show that has fueled controversy.

FIVE YEARS OF ARYAN TV

Recently public access TV has been proposed in other countries such as Australia and the producer of "Race and Reason", Tom Metzger, has been the guest on several radio programs in Australia, Britain, and other countries, extolling the virtues of total free speech and the media.

Virtually, all White racial leaders in America today have been guests on "Race and Reason".

WAR associates from coast to coast form a strong network of grassroots distribution of "Race and Reason" from large cities to small towns across the country.

This small candle of free speech for Whites began as an idea in the minds of a small positive group of White men and women. It is living proof that all things are possible to those with the will to create.

This type of thinking is what will ultimately win this battle for the White men and women in North America and in other nations.

We of "Race and Reason" and WAR are proud to be another weapon in the retaking of our great country.

Is "Race and Reason" on in your city or town? If not, call the cable company in your area, ask if they have Public Access on their cable system and advise them you want to submit a program (80 shows in 3/4" format, ready to go). Fill out application and return to them. The cable company will ask for a tape of the show to preview. Write or call our office and we'll send you one. When the cable company approves your application, let us know and we'll start sending tapes. Only cost to you would be mailing our tapes back. Good Luck!

subject of hundreds of hours of commercial TV news footage and documen-

Dr. Herbert Poinsett produces "Race and Reason From Atlanta," a public-access show based on his white separatist philosophy.

"Race and Reason" television program was conceived in 1983 in the office of Tom Metzger. The first pilot show was taped on the old black and white reel to reel equipment. In those days we did a few experimental short pieces in the streets with amateur actors.

Due to other pressing activity, the concept was shelved for many months. Then Tom Metzger and a new member on the scene, David Wiley, began to look seriously at the medium of public access cable t.v.

We found that most of the old line conservative types took the position that there was no way White activists could get such a project off the

ground. In fact, 95% of our advice was negative and that we didn't stand a chance of making it work. At this point Tom and John Metzger, along with David Wiley and a few young radicals, put their shoulder to the immovable rock and began to push.

The struggle for the reality of "Race and Reason" was not easy. Our enemies fought us every step of the way and are still fighting us today. However, our true core of positive thinkers kept up the battle, first on one or two systems, then a few more and now five years later, 25 systems and roughly 50 cities from coast to coast reaching

millions of Americans. Along the way, Dr. Herbert Poinsett joined the battle in Atlanta, Georgia also adopting the name of "Race and Reason" in honor of a great racial revisionist, Carlton Putnam.

Our California based productions are now completely controlled and operated by WAR personnel. WAR camera people, WAR sound people, WAR lighting people, etc. "Race and Reason" has now produced over eighty (80) 1/2 hour programs on the west coast and Dr. Poinsett has produced over 40 on the east coast.

"Race and Reason" has been one of the most effective tools in the White peoples' arsenal. The program has been the

"Race and Reason," a public-access show by the White Aryan Resistance, features such programming as music by the Boot Boys Band.

The breaking of Geraldo Rivera's nose on national television November 4 was a Boston Tea Party for the skinheads, and a startlingly complex and elegant media symbol. It could not have portrayed better the Nazi skinhead/White Aryan Resistance agenda had the skinheads and their newfound ideological collaborators sat in a fortified bunker in Nebraska and plotted the whole thing out on graph

paper, charting the precise moment when W.A.R. leader Tom Metzger's son John would call black leader Roy Innis an Uncle Tom, Innis would rise and begin to choke the younger Metzger, and the elder Metzger's burly bodyguard Wyatt Kaldenberg would aim a chair at the bridge of Geraldo's nose.

More than the stories in *Time*, *Newsweek* and the daily newspapers, more than their appearances on *People Are Talking* and *Oprah Winfrey*, the Geraldo show made "skinhead" a household word. With an estimated 40 million viewers tuned in, it sent just the message that W.A.R. and its allied skinheads across the land wish to send: *Break the Jew's nose!* For Geraldo, according to the W.A.R. newspaper, was actually born Jerry Rivers and "Jerry Rivers is a Jew and sports a Star of David, or the Witches Foot, tattooed on his hand."

Extreme racism, holocaust revisionism, Christian millennialism, neo-Nazism, pseudo-pagan mysticism and what Richard Hofstadter calls the "paranoid style" of political expression have all quietly gathered strength during the Reagan years. But Nazi skinheads represent a new alliance between young, disaffected white youth and the old grand masters of the hate game—the KKK, Posse Comitatus tax protesters, the compound dwellers, Christian Identity preachers, survivalists and conspiracy theorists, all of whom can be found any night of the week warming their chilly hands around the burning crosses on the outskirts of the conservative American mind. However, the term "neo-Nazi" is a little misleading. Though Nazi skinheads share Nazism's anti-Semitic and racist outlook and have borrowed some of its symbols, they are clearly distinct from the American Nazi Party, (which by most accounts is a strange, tiny and insular cult, viewed by the new extreme right as nuts and homosexuals)

financial support accepted by the NSDAP from the Junker class, the Prussian aristocracy. Strasserite National Socialism had a heavy emphasis on the socialism, workers' socialism, the type advocated by Jack London and the American socialist movement of the early 20th century. This form of socialism has been replaced in America by an insidious Jewish version which taxes the White middle class to near ruin, while allowing the fat cats to retain and increase their wealth. The political "mainstream" - Republicans and Democrats - are carbon copies of each other. Our Aryan nation is made to suffer the invasion of alien races, and White industrial jobs are exported to the Third World.

The Third Way offers an alternative to the tyranny of Washington/New York/Tel Aviv/Moscow and London. Moscow and London are paled because the policies of the Labour Reds over the White people of Britain are not challenged by the Thatcherite Tories. Moscovites would not stand to have open homosexuals running their local school

committees as they are permitted to do in Great Britain. The Aryan working class in Great Britain is forced to send its kids to fag schools, black power emporia, and Third Worlder dives, while the upper crust insulate themselves in the best educational institutions that money and position can attain.

The Third Way attempts to be a working class Aryanist movement. It utilizes the rising Skinhead groups as shocktroops, deprecating the more conservative-minded Aryanist organizations that

view any worker revolution as just another form of Communism.

Heick's hypothetical willingness to cooperate with black nationalist Louis Farrakhan is surprising. In order to pinpoint where Heick stands in relation to other extremist groups, I asked him his opinion on Lyndon LaRouche

When asked if he was aware that LaRouche had been a leader of the left-wing Students for a Democratic Society in the sixties, Heick replied, "Yeah. Well, I like the SDS. I thought they were pretty hip. I like the Weathermen. I think the Weathermen were completely hip."

The platform of W.A.R., like Heick's confusing positions on race and left vs. right, seems to be an assemblage of craftily chosen causes designed at once to radically dissociate itself from any competing ideology and at the same time provide a hook for nearly everyone. When I observed that Heick had very little in common with a traditional right-winger such as William Buckley, he bristled.

"No, I'm not a right-winger at all," he said. "The only right wing thing I believe in is the free ownership of guns, and I don't believe in taxes if that's right wing, it's just freedom, myself, and I don't believe in

Vol. 8 No. 1 Page 9

abortion. If that makes me right wing, so be it, but I'm also pro-environment, pro-animal and anti-nuke, and if I was going to have to have a structured society then I would be pro-socialized medicine."

While it's hard to imagine how W.A.R.'s plan would be accomplished, and even harder to accept it as anything but a cruel and tragic blueprint for humanity, it is possible to explain how and why the radical right gained these young adherents, who in the sixties might have been drawn to the SDS or the Weathermen. Two things have happened. The federal government has infiltrated and prosecuted radical right wing groups, putting most on the defensive and a few out of business, and Reagan's election has mollified the moderate right wing and pushed the more virulent wing even farther toward prosecutable extremes.

Author Philip Finch, who studied the fringe right, adds, "Before 1960, the ideological forebears of what is now the Radical Right were almost uniformly respectful of authority and the national establishment." The important thing to recognize today, he says, is that "a significant portion of the Radical Right regards official government with as much outright anger as leftist radicals did fifteen years ago."

Which raises a final and intriguing point: the extreme right is making progress recruiting among young and disaffected white youth precisely as the left is floundering in this country, unable to provide an alternative vision for those who are passionately eager to change the world.

Bob Heick's nostalgic admiration for the Weather Underground and SDS—even as he advocates race hatred and fascism, the antithesis of the New Left's message—speaks to a fundamental and dangerous confusion. Unfortunately, there are people like Tom Metzger around to make the worst of a bad situation.

"THIRD WAY" ORGANIZER TOM METZGER KEEPS THE MELTING POT ON BOIL

On virtually no money and little support from other factions in the White separatist movement, San Diego activist Tom Metzger mesmerized the nation in Nov. with his group's successful defense against professional TV clown Geraldo (Jerry Rivers) Rivera. At one point the "macho" Rivera even threatened John Metzger because the young man turned the tables on the Khazar Puerto Rican's abuse (Rivera's mother is Lillian Friedman, his father Cruz Rivera). Rivera referred to the separatists as roaches and scum. This was permissible of course and had Metzger choked Rivera due to Rivera's "verbal assault" the host with the comic-opera mustache would have pontificated about the attack as "the ultimate response of hatemongers who have no other answer to our truth." But when Metzger was choked by Uncle Tom Roy Innis (who for a time was connected to the LaRouche organization) Rivera justified the assault instead of condemning it. The separatists defended themselves, leaving Geraldo with a broken nose. Thus, Rivera, a "star" and representative of the System, was made to look vulnerable. This makes the System look vulnerable at its highest levels. The System lost face. Johnny Carson, the corrupt gasbag who has presided over the demise of our nation with two decades of toilet jokes was outraged at Geraldo's incompetence. Matters were not helped when *Newsweek* put the handiwork of white separatist potency on its cover. Even the *National Enquirer* got into the act with a surprisingly balanced full page article which detailed the power of Metzger's bodyguard and quoted John as saying "They started it and we finished it" and who can argue with that?

After Metzger's organization galvanized national news for two full weeks, the following week the most important youth oriented magazine in America, *Rolling Stone*, devoted a large-page layout to the group all over again, with yet another fairly balanced piece which broke records for the stereotypes it shattered: no sheets or swastikas, just some angry skinheads and a beautifully photographed, full-page portrait of Tom and John which smacked more of 80s Norman Rockwell Americana than "hate and lunacy." The Metzgers accomplish these and lesser-known coups on a weekly basis. They are an extended family, beginning with Tom and his wife, their five children and the mostly White working class kids who join in. On this foundation Metzger produces a weekly cable TV show syndicated nationwide, fights the JDL in the streets of LA, is defending himself in a 5 yr. old felony trial for "nuisance-burning" (a cross-lighting) brought at the behest of kosher L.A.-D.A. Ira Reiner; publishes a bi-monthly newspaper, holds monthly meetings in S. California and training and solidarity sessions for youth around America. Tom and his group have done all this with none of the money, resources or organization of the giant reactionary conservative mailing list-milkers like Liberty Lobby who take in tens of thousands per year but remain mired in impotence because they continue to appeal to conservative sell-outs for our salvation. For a copy of Metzger's newspaper send \$1 to WAR, PO Box 65, Fallbrook CA 92028.

Never Forgive, Never Forget
Savitri Devi

And Time rolls on...
And every empty day that slowly fades away
As uneventful as the next, into the mists of unrecorded history
Brings us along our strenuous way.
Nearer the hearts desire of the revengeful,
Nearer the doom of those whom we resist!
Nearer the end of this atrocious night!
Nearer the yet well-hidden goal for which we fight!

The one unchanging dream for which we live!
For we never forget, never forgive!

And Time rolls on....
And every dreary hour that passes by into eternity
Glaringly shows the soundness of our claim,
And tells the world of the inhumanity of thine enemy's victories
While bringing thy dismembered nation new strength, new prosperity;
New hopes of unity with the increasing certainty of our return to power!
And both our persecutors feel the fear of unavoidable annihilation;
And thus we march invincibly toward our lofty end.
Along the way of blood and tears!
It matters not what price we give....
It matters not what price we yet may give....
To see all those who hated Thee
Descend into the grave
After they mourn beneath our whip for years and years
For we never forgive, never forget!

And Time rolls on...
And every fleeting second brings us further away
From the long nightmare of defeat
Nearer the glory of our Dawning Day,
Nearer the time we shall begin again,
Nearer the morn of thy unending day;
When thy adoring people shall repeat in frenzied spell-like cheers
The now-forbidden words of Faith and Pridel
And when after countless scores of years,
The nations of the west that had refused to side with Thee,
And fight the common foe, and live;
Will lie in ruins at our feet.
While we never forgive, never forget!

And Time rolls on....
With us they did not reckon,
When setting forth their vast Utopian schemes.
They thought Thee dead; and us also!
They thought, the fools (!), they they could rely upon our loyalty
To values which we hate!
They thought they could send us to die,
Without us ever asking, "Why?"
That we had grown too weary to say "No!"
They thought they had become the masters of our Faith!
...And here we have life...and here we stand,
And give the world to understand.
That We shall never fight, but for our same old Dream!
For Honour and for Might, and what we know is right;
For the job of asserting the privileges of our Birth; for thee,
For Greater Germany; for Aryan Rule upon this Earth,
The Gospel of Perennial Truth in its new form
Which we came to proclaim, and which is more, to live!
While we never forgive, never forget!

And Time rolls on...
Nothing can break our spirit nor alter our allegiance to Thee,
Nor to the German Reich, home of the best,
Stronghold and hope of Aryan mankind in the west.
Of all thine enemies can say or do to gain our favor
That they so require.
Nothing can shake our faith!
Nothing can ever mar our loyalty to the old oath.
Nothing can kill our will to rise again.
Every new step, the former great allies
Take towards us, we meet with new grievance.
No threats can force us to believe their lies!
No bribery can keep our hearts from heeding both!
Happier as the storm draws nigh.
We wait, and watch events go by...
We wait, and watch the signs of War...
The hopes of Liberation...the coming chance of your nation
To seize the reins of sunset-lands once more!

Pronounced as "Pamiat," by many. The spelling "Pamyat" evidently might have been derived at by minor NY and/or other accent considerations).

Most -nearly all- of this presentation was constructed by non-Russian journalists. Reporters, in most cases, resided in the Russian Republic of the USSR. This is 'their' topic. No personal opinions will be emitted from this author's pen. In fact, we will merely elicit what has been demonstrated for several months. This, because the topic is extremely toxic. It's interesting for no other reason than trepidations acknowledged personally to this writer. This by, Polish, Russian and other media. It was reiterated that the unofficial society of Memory represents a symbol to millions. Surprisingly enough, Pamiat's emblem is a bell (dzwon).

The renowned intellectual genius, Prof. Kossecki, cognitively has indicated that essentially Pamiat makes its appeal(s) to all nations. It implores that there be more open communication on all topics

There are no negative building blocks against any Kazar element (often referred to in other terms). Also, this is not a propaganda ploy utilized to advance the image of Pamiat/Pamyat.

These few lines merely are a result of a transliteration on a train ride. Most important, the material presented goes over the iron curtain of the transnational media. It is part of your paper's network.

We will consume fragments from the powerful/persuasive non-Slavic P. Gudionov and others. Much of what is presented appeared in Soviet papers (Izvestia, etc.). Other links were presented by E. European media. All of the aggre-

It's about the "informal" organization called Memory (Pamiat in the Polish language, best manifestations indicate that a true spirit of internationalism can only be achieved by nationalists; that history demonstrates certain groups have merely been speculators (not interested in majorities and majority values). This is the meat of what Pamiat is all about. Journalists fearful of Pamiat's issue denote that: It's too new a topic for discussion; it's too emotional; It has not earned a right to speak! Others say it has too much unelucidated dogma.

The renowned Prof. M. Trzeclak is a scholar that has been attacked by prestigious publications. He notes that an entire apparatus has not allowed Pamiat equal time to defend views on public media. This despite support by countless thousands of scholars and proletarians. Several liberal Polish and Czech minorities have reiterated similar tid bits. Countless scores of non-Russian journalists, in the Russian Republic, write that the Memory Association has a provocative name and is "distorting concepts not only of history, political events and international

THE DOGS OF WAR

by: Frank Silva - P.O.W.

What has lacked in the past, namely, the Active "Street Forces", has now been formed into a broad intellectual, militant, and non-negotiating group of activists that have put their lives on the line for "folk and faith" showing those fence sitters that the time has come to back one side or the other. Unfortunately for some, these fence sitters, albeit friendly, will receive the same punishment meted out to those who are, understandably, our enemies.

NO NEGOTIATION! NO CAPITULATION! is the cry of the DOGS OF WAR.

Massive resistance cannot, and must not, deride nor incapacitate that segment of their revolutionaries that use "confrontational" politics; indeed, no Ruler, party, or movement has ever risen to power solely on their particular Credo. The energy required for massive resistance must need to utilize the force necessary to overcome any given obstacle, and, when victorious, must heap praise upon those men and women who have sacrificed for their fellows- this includes continued support even when there is a "temporary" set back- for in Revolution no talk of "failure" should be uttered. When one fails, ultimately, is when one is dead; even then, one will live on in his work, family, and folk memory.

These young people that declare their intentions concerning Race, who we affectionately call "skin-heads", are preparing to engage in a battle of the ages that has been fought before, on many battle-fields, in many times; this time, however, the age before them presents options never before realized by our ancestors.

Avenues of communications, transportation, information, and action have been refined by each preceeding generation until the level of all participants has evolved to that time and place which requires the skills of all - together

- to pull down the many tyrants that seek to destroy the natural "Life Law" of our ancestors and ourselves. Everything we need is here, before us, and let us not slack to pick up our particular weapon, of whatever type, and take our place in line.

John Metzger, Bob Heick, and others are aggressively taking their massive audience toward higher goals daily; each in turn providing impetus to those after them. The moderate and the militant come together and provide such explosive capabilities when coupled with the "fight'n" element of the dyed in the wool Racist skinhead.

The Geraldo Rivera show was the perfect example of what dialogue and Direct Action can accomplish: RESPECT - and is the ultimate reaction to a

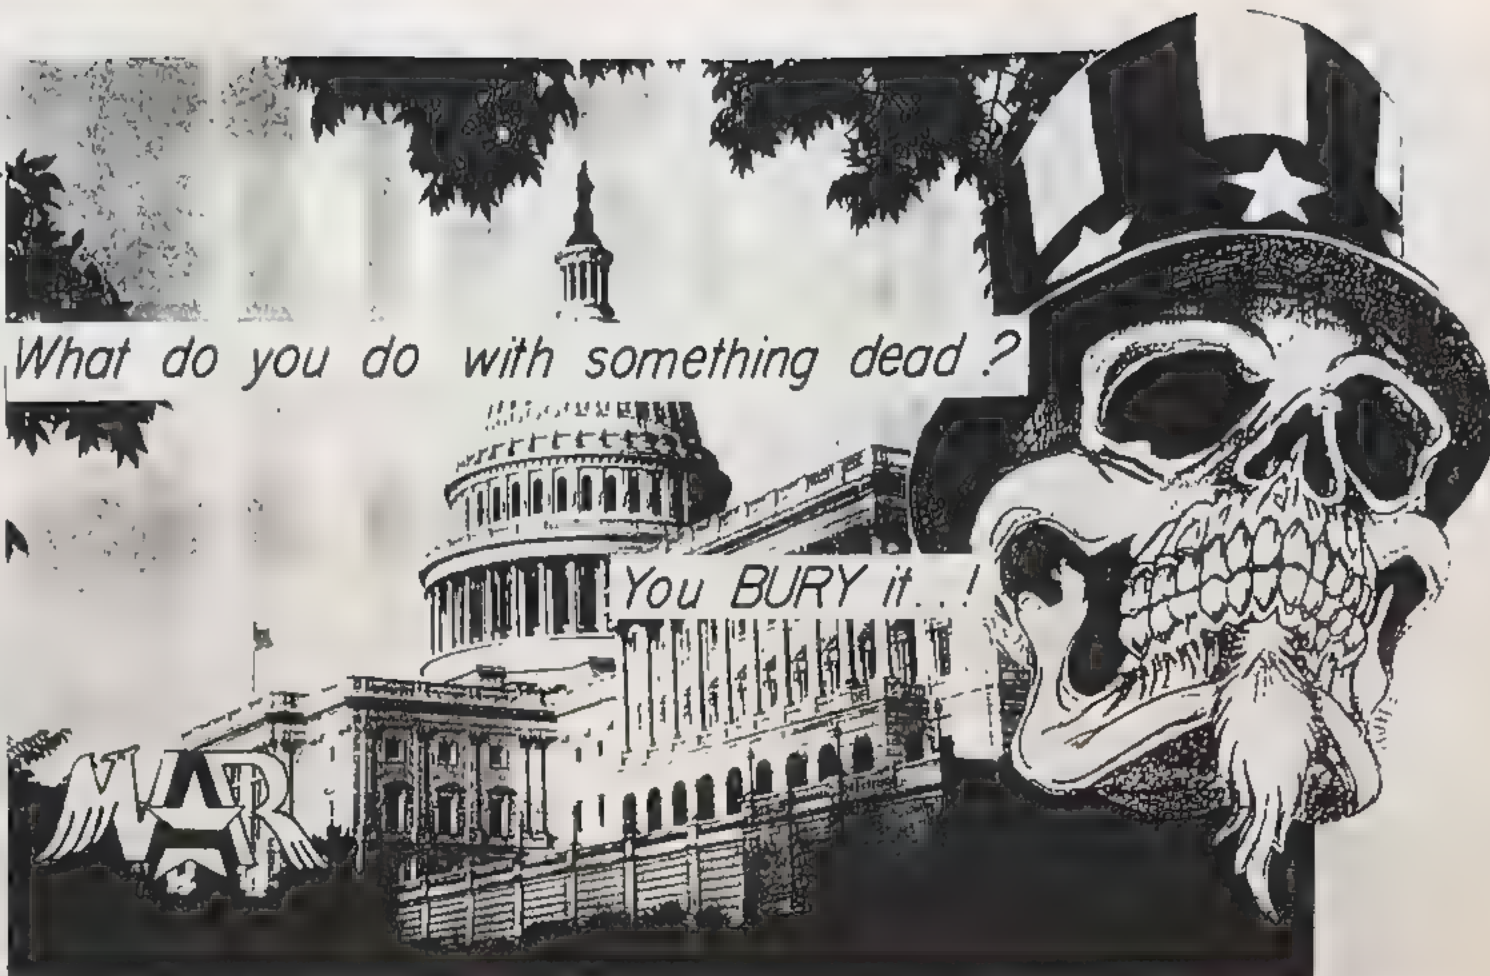

winner, regardless of how it was accomplished. The next step, obviously, is to field as many of our people as possible at one place, at one time, and dish out whatever is required to protect those who would address our people, and through polemic, rhetoric, and simple common sense, bring into our camp those that are dedicated to the survival of our Folk and Faith.

Those who can write- must write; and those who can act- must act. For every simple "cell", there is a larger "cell", and so-on.

Let the word go out, to every corner of the White world, that the White youth want a change, NOW: nothing short of total rule of themselves, for their future, for their families, for our Destiny!

The "DOGS OF WAR" have been unleashed; the performances of the past several years have shown them the true successors of the broad base of support for the White Nationalist activists. The American skins have obtained good media representation, both through their decorum, and their representatives. The

Eastern Third Position

economics." A European minority, in a prominent position, told this writer that Pamiat harbours opinions that could be dangerous to the world community. Moreover, film directors and others have emphasized, to this author, that the dissertations of Pamiat have not been proven. A leading figure indicated that the founder of Pamiat, Demitri Vasiliev, is today more dangerous than Polish author Prof. Tad Walichnowski was in the 1960s (pronounced Valinhovski). TP had composed several anti-zionistic hypotheses, newspaper articles and books. Shortly after this, many "Reds", who had been appointed to Gov. seats lost their positions. Thousands immigrated to Israel and America. The media then supported Polish jokes. A fear now is that Pamiat-type studies would not assist Warsaw in being accepted by the international media; that such could demonstrate large numbers from Auschwitz altered their names after WW II (and directed the Polish Foreign Affairs apparatus). A student asked how many of these types put their associates into their Red Government... The debate got bitter so let's return to this new cultural shifting.

Realize that Pamiat members have marched into state buildings. This year they even marched into a special exhibition of Lenin's sacred property! Pamiat attacks by the law but asks ludicrous questions.

In Moscow these members appear in their stark black shirts on TV. According to Slovak journalists, Pamiat confronts what Soviet media has been distorting. Anti-majority journalists have accentuated that Pamiat speaks in tones of hysteria. Radio announces "Memory is anti-intellectual."

Pamiat members go so far as to publicly state "their time is near!" They speak before enormous gatherings of laborers, teachers, scientific workers. They, at times, even march in groups. These nationalists call themselves the "unswerving" true internationalists. They evidently stoke a dysthymic fire in the emotions of majority masses.

Pamiat emphasizes it is rebuilding a destroyed society. Pamiat associations have rebuilt church centers and buildings. These places were allegedly destroyed by Trotsky and vast numbers of his kind.

Pamiat has offices in numerous buildings, in several cities. In many Soviet Republics. Members reiterate that they will save their countries, contribute towards majority populations.

Yet, the anti-Pamiat army continues to grow. It notes there are many flaws in Pamiat's structure. For example, some Warsaw journalists have inquired -negatively- "what are satiriets supposed to do?" Some

Moscow media is upset that Soviet Parliament (KPZR -in the Polish language) admires Pamiat (especially two individuals, one even alleged to be tolerably "close" to Grobachev!).

Overall, it has been publically stated that Pamiat has a right to speak. This has agitated scores of Soviet journalists, reporters and others. Pamiat, in turn, sends literature to the army, KGB, political bureaucrats, scientists, professors, writers and even school systems. Warsaw's Grunwald Institute indicates that Pamiat does not coerce anyone into accepting its hypotheses. On the other hand, it is for forcing government apparatus into accepting Pamiat's right to speak; mainly, P has aspirations for the same public channel of discussion as other avenues.

Pamiat wants to name names. Some of its members dream of presenting a mass dissertation about a group(s) responsible for the destruction of Russian culture and the killing of millions of Slavs and other majorities. The key arguments always touch Religion/tradition. We are informed that Pamiat has gone so far as to suggest a peoples' trybunal on the matter of presenting its aggregated material. The topic, of course, would be about past/present crimes against majority populations (apparently in all republics).

When pressed against the wall, as to who has harmed Soviet people/culture the most, Pamiatians answer questions with questions: "Who has made America decadent?" Or, "Who controlled Poland, Germany and international media?"

Several influential and rich magnates have condemned Pamiat. Also, the Western European media has joined that of Moscow. It orchestrates a tone that Pamiat is similar to the 1930 Nazi throngs.

Minorities, writing for Poland's *Odrodzenia* (in April of 1988) asked "what does Pamiat want?" This, after Pamiat noted a group of past political non-ethnic Russians have vastly harmed both East and Western Europe. Warsaw journalists have noted Pamiat's relentless quest for open discussion as being "full of shadows." Others say "Pamiat's drive for open communication is a sign of a pertinent psychological impairment." (obsessive compulsion)

Moreover, we read that Pamiat has not proved itself. Memory wants society to consider having its "Trybunali Ludowe" -Peoples' Trybunali *Odrodzenia* was and has been furious. For some unknown motivation, it was so concerned with this minor spur, that it has emphasized "Pamiat falsifies history." It more than coloured Pamiat in the darkest of shades. Friends of *Odrodzenia* inquire if their society will be going back to the Spanish Inquisition.

According to *Odrodzenia*, a real people "does not believe it is better in certain areas than other nations..." *Odrodzenia*

tried to make its extensive reporting appear objective. The fact is, *Odrodzenia*, for some apparent stimulus, is emotional and overly concerned with this association. But, why?

One formerly incarcerated scientist personally told this author that Pamiat merely appears to be seeking open discussion. Journalists dwelling in hallucinations, should attempt to elucidate the puzzle of why past Red society could not have open discussion! He continued: "If Pamiat was allowed truly free expression, perhaps open communication would be advanced."

Pamiat clippings have been known to appear on walls in Poland and Eastern Europe. Hysteria abounds everywhere. There are two trains of thought. One school is for keeping Pamiat out of the public eye. Most desire that Pamiat be disbanded. Left wingers, liberals and others, reiterate that Pamiat believes the enemies of mankind were masons and are zionists ("syjonistow i masonow").

The left wing Warsaw media screams that they (Pamiat) "patrzec na wszystkie co sie dzieje z takiego punktu widzenia." In other words, evidently Pamiat looks at everything from the line of zionistic and/or neo-zionistic involvement against majorities. Many despise tooth and claws memory.

Privately some Pamiat leaders have denied the six million holocaust figure. Some have even propagated gas killings of six million is preposterous. "Such international propaganda verifies zionism's harm to mankind. Such is propagated to foster and advance special Israeli/NY/Washington reasonings. Eastern Europeans, as children, have been taught the virtues of Rosa Luxemburg. As responsible adults they were coerced into laboring in factories named after this virgin of Red communistic hypotheses.

On the other side of the coin, circles of Memory have taken Rosa off her pedestal. Rose L. is deemed as a person who was against majority values. Citizens now wonder if it would have been more appropriate naming centers after native majorities. Many studies appear to demonstrate that Rosa L. was merely an international korwa (whore). In fact, the fight gets tenacious and dirty. Numerous non-majority journalists have participated. They have indicated that it's a fight to the finish.

The Pamiat Association deems its concerns are more than just majority verses minority values and/or control/influence. Others have denoted that Pamiat's nemesis is mythological. That any of the

theories by Pamiat can only be corroborated by: (1) historical accidents; (2) similarities; and (3) unscientific research.

We read that Pamiat is escorted by such lecturers and pseudo-intellectuals as Prof. A. Romanienko and J. Jevsiejev. These are authors of books and writers of newspaper articles. Their substance appears to propagates conceptions against a people that have faced discrimination (century after century).

Overall, the compositions of the above noted activists are deemed by the general media as "anti-intellectual." We are told that Romanienko merely confuses and perturbs his readers.

In June of 1987, *Soviet Culture* (*Sovetskaya Kultura*), instigated an exceptionally strong attack upon Pamiat. It has continued to the present. The editors believe that Memory is dangerous "to the intellectual community" and Soviet society. They are participating in legal actions against Pamiat. SK ejects vast energy against Memory.

Pamiat has voiced that *Soviet Culture* and its staff has lied and defamed the findings and philosophy of Memory. "Deceitful and inflammatory accusations have been leveled at Pamiat. Pages have been taken out of text to affront the writings of Romanienko." A. Romanienko says he has the right to believe in all his material/books slighting the world influence of zionism. Further, the power of a few have no right to silence him. "It is a fact that syjonistow have been harming our nation..."

Clippings tell the masses "that Prof. A. Romanienko doesn't even realize legal defences are foolish; that he cannot get the communists to fight their own Party's newspaper!"

Minorities continue to advance the theme that the entire affair is of little matter to the world. This is why (overall) the world media correctly ignores Prof. Romanienko whenever possible. Negative news informs the public that Romanienko rants and raves in the court room: "Romanienko has no respect for the legal profession." We read: "Things are occurring that have not happened in nearly a century. In a judge's court of law, an anti-intellectual has his anti-Semitic material discussed!" Another Pamiat member had on a black shirt with a strange writing: "We will manage to implement dezionization (desyjonizacji)!"

A Slovak publication verifies that the Russian media is correct: that Pamiat has no respect for the law. The Eastern European media demonstrates that when the judge read his verdict against a Pamiat leader the loser yelled "There is a higher law - that of God!" The courtroom applauded. The anti-Memory world news molders went semi-ber-

Vol. 8 No. 1 Page 13

serk (with massive transliterations).

Odrodzenia -Romanienko stated: "...that in order to commence this legal affair in the right direction we should know where the judge comes from!

The non-Slavic judge adjudicating over Slavs refused to answer the inquiries of Romanienko. To this Romanienko noted "that it is difficult to imagine what's more immoral, and, against us, than what goes on in "our" legal court rooms...that determine what happens to the indigenous population...as a result of an alien nationality, with foreign values. We must fight against zionism..."

Sovetskaja Kultura became so enraged that it has sent staff to research ideology of Pamiat. *Soviet Culture* has presented its view of several articles, booklets, newsletters, brochures and books. As a result of the SK inquiry, *Soviet Culture* exclaims that Pamiat is more or less from the bible of Mein Kampf.

SK informs its million readers that the major difference between Mein Kampf and Pamiat's works is today's authors utilize the phraseology of zionist "and cosmopolitan" (rather than zyd). For those who do not speak Russian, Polish or Ukrainian, Zyd is the Slavic word for Jew. Zydowska means awful.

As incredibly as it may seem, Pamiat even went so far as to openly exclaim that the Soviet zionistic media "has demoralized the white race with extensive national coverage of programs such as Tom Sawyer."

According to Pamiat, all people are not the same.

After Pamiat secured tens of thousands of paid memberships, the Soviet press commenced work as a team. It started to elicit aid to anyone opposing Pamiat. There was more than an orchestrated effort to make the proposals of Memory appear absurd and ludicrous. Indeed,

The Soviets' *Novosti*, *Izvestia*, *Ogoniok*, *Komsomolskaya Pravda*, and many others, have all labored in unison to discredit Pamiat. Strange as it may appear, the coverage in the mentioned papers was similar to that of the *Washington Post*.

Society is told that Pamiat presents a great new danger; that its leaders resent the intelligentsia -that they are anti-intellectual! According to media, we must have a feeling of tolerance towards foreign views. This, even if they are different from ours. This Red media machine now tells the masses that lies about others cannot be acknowledged as fact (Klamstwo nie mozna uznawac za punkt widzenia, a swiadomych oszczersztw -za poglady...). Essentially, Pamiat apparently fails under this point (*Odrodzenia*).

TALK RADIO

R By Mike Kingsley

Leaping far higher than a mere skip away from the book "Talked to Death", which was the court historian Jew worship of media satanist Alan Berg, "Talk Radio", this new Oliver Stone masterpiece, drags us into the darkly harsh surrealistic reality of all the "heros" of the Z.O.G. media to damn each and everyone of them to hell forever!!!

Changing the locale from Denver to Dallas, the script far more resembles Morton Downey, Jr. (who helped on the script) on the radio than Alan Berg, Stone has created, in "Barry Cherkin" (newcomer Eric Bogosian, in a electrifyingly terrific

afterwards becoming the best film of the year, and also the most important!

The first film since "The Jew Suss" in 1938 to level the sword of truth at the Yids, even to the Americanus boobus public, this Cherkin character is totally unsympathetic...How the A.D.L. ever allowed this much fact to ever get up on the big screen may elude us for decades...Cherkin is the typical Jewish scum creep, wailing over the air about the "Hollow Cost" (which he doesn't even believe in) while viciously humiliating his ex-wife over the air and privately mistreating his shicksa girlfriend.

MOVIES

performance) the symbol of Jew media with no punches pulled whatsoever.

"Talk Radio" soon enough becomes, in every way, a totally unforgettable experience, a must-see film, with a scene for scene continuity that - explodes like incandescent light bulbs which refuse to leave your thoughts for days

Further, brutal Jew Barry, evidently ruling over "the last neighborhood in America" in typical humanist style, only allows the crackpots to be featured over his radio program "Night Talk" and shutting off everyone sane: like for instance, everynight - over the air,

we get the child molesters, the race-mixing sluts who cry like crazy, long haired psycho guests who promise anarchy for "Freedom", dope addicts who promise to O.D., yet fail to, Lesbian priests who never call in, shabbos Goy Niggers whom Cherkin viciously puts down for liking Jews, yet Cherkin pleads for listener sympathy for serial rapists, all these and more scum bags are given support in this psychotics carnival that recalls an audio version of Dantes Inferno on the A.M. circuit....

Sadistic sheeny Cherkin seems intent on proving that just about everyone in America has finally gone bananas, so of course contradicting anyone who'll disagree..

Blacks, browns, and yellows, as well as Whites hate this evil Yid to the core...White Power listeners send him a huge dead rat wrapped up in a gigantic swastika flag, other less racially conscious White listeners call him up angrily threatening to "Burn his Jew Ass" for preaching his Talmudic filth over the Texas airwaves. White Nationalists discussing the finer points of "The Turner Diaries" and the vile intent of Zionism...

When Barry, with his Luciferian Yellow Jew eyes, steps out to speak at a football game with his ex-wife, a White girl tosses a cup of pepsi-cola into his

face, and the fans, all of them Aryan, boo this low-life lecturing liberal camel nose off the podium...To bad White people don't act that anti-Jew in real life, our race would be in fine shape if they did.

Rather than to give us the customary snout nosed Kike Hollywood is so famous for, Oliver Stone (who also gave us "Platoon" and "Wall Street", among others) has dared to make the most stomach churning and dispicable character in any film in recent memory into a Jew and has probably ruined his directing future as a result.

Barry Cherkin is a real headcase, in other words, he is every Jew, the total enemy of all races, especially the White, and destroyer of every rational thought in existence. The perfect example of that Race of aliens always hysterically whining about "tolerance and understanding" while hovering over the edge of

a nervous breakdown.

"Talk Radio" does more, in two hours, to undermine the media "twist historians" and their untoward but so assumed "Chosen People" myth than a 100 Revisionists of the I.H.R. could have done in a decade. And when Cherkin gets a written threat from a group ironically called the ORDER (But with no real relation to the Bruders Schweigen) many in the audience almost seemed happy. The only sour note in the entire film is that Barry is a mere radio host rather than a commentator for the glass toilet. So when Cherkin finally becomes a good Jew via dispatch by handgun in a parking lot, we have more substantial hope that the Aryans may one day yet live in a Zionist-free America, to which, in conclusion we say: IT'S ABOUT TIME!

LETTERS

Dear Tom Metzger,

During the Vietnam War I saw a movie on television about the Hmong in the "Fertile Triangle". It showed small, ugly, animal-like mountain people that the CIA was using as hit men and assassins against the villagers. They were all opium addicts, and it showed their large fields of opium as far as the eye could see. It said that the CIA paid them by shipping their opium to America on CIA planes, which the pilots called the "Opium Airlines".

When American forces left, they brought the Hmong with them. It is said that the CIA offered them \$10,000 each, a new car, and double welfare checks, to come to America.

One day the head of immigration watched some workers in the fields. The whites goofed off, and only the Mexicans were working. He publicly stated that he felt like deporting the Whites. White people were once good workers, but the Sicilian Mafia spoiled them with Union demands, the niggers taught them how to live on welfare, and the Mexicans got them hooked on drugs. Now the "White elite" is like a farmer that is unhappy with his livestock. He ruined the White worker, and now he doesn't want him anymore. He wants to replace him with other breeds of cattle.

This replacement process has been taking place for years. The marriage age in California used to be 10 years, and worldwide about twelve. A man got a woman when he could enjoy her youth and beauty. Now

when she starts menstrating they tell her she is still a child. A "teenager". It is a felony to seduce her. Then after she is 18 she still has to go to college, and then work on her "career". Meanwhile any chance pregnancies are aborted. At about 25 years old, when she is past the best childbearing years, she has one or two kids. From then on she satisfies her maternal instincts by raising dogs. She spends her extra money on fine cars, fine homes, fancy clothes, jewels, and drugs of all kinds. Anything but on raising up White children.

Meanwhile, the vacuum left by the babies she didn't have is filled with mercenaries, criminals, gangsters, and opportunists from all over the world. They will breed like rabbits. Soon they will crowd out the children she did have.

Sooner or later, all Whites (even college teachers) will realize that we are being exterminated. Then they will try to fight back. They will learn, too late, that the Hmong, Cuban refugees, etc., are secret armies, waiting for their order to put down our uprisings.

Then, too late, the White elite will find that the colored races will not die to defend them, like White workers used to do. Then the White elite, too, will be exterminated. The colored races will establish their own government to rule the country we gave them.

Tom, I am writing to congratulate you for putting out the best and most revolutionary paper within the White Nationalist movement today. WAR and WAR Youth both offer the most informative and guiding goals for our activists to follow. The "Race and Reason" TV show is the best program in the sea of controlled Jew propaganda that has ever been aired. The Aryan Update phone messages are very inspirational and are recommended for all our people to call; it's well worth the cost. The support given to the "Special Ops." teams is invaluable to continued success of these Viking warriors. Overall, WAR has risen above the rest and stands as the guiding light to the revolutionary path that we must take if victory is to be ours. Let not our dedicated martyrs give their lives in vain and let us not allow our POWs to rot away in ZOG's dungeons. Victory can and will be ours!

For the Aryan Revolution.

A CANDIDATE FOR THE ORDER

BY MICHAEL A. HOFFMAN II

John Schmidt is a decent man with unpopular views. A "Holocaust" revisionist and White separatist, he's trying to make a living for his family after experiencing a series of financial setbacks sparked by a campaign of repression against him. Fired from his teaching position, blackballed by the Zionist ADL agency, assaulted by minority street thugs, recruited by an underground gang of White extremists, Schmidt is a man in the middle, desperately seeking to make balance in an America aflame with racial apocalypse. Forced to choose between extremism and reason, between extinction and survival, he steps into a nightmare world where every choice he makes leads him deeper into horror. John Schmidt is A CANDIDATE FOR THE ORDER.
